

Invitation

EFRAG – European Commission Outreach event on the Future Agenda of the IASB

25 November 2011 in Brussels

EFRAG and the European Commission invite you to participate in a European outreach event, the purpose of which is to gather input to help the IASB in the determination of its future agenda and priority setting for the development of amended and new standards.

In July of this year the IASB put out a consultation paper on this subject asking for views from constituents and interested parties. The IASB believes that an extensive due process in this respect is necessary to ensure that its future agenda meets with needs perceived in practice. EFRAG issued its Draft Comment Letter on 11 August with a deadline for comment of 15 November.

The IASB Agenda Consultation Paper and the EFRAG Draft Comment Letter can be found at the EFRAG website through the following link: <http://www.efrag.org/Front/p233-1-272/European-outreach-meetings-on-the-IASB-agenda-consultation.aspx>

This occasion will provide a unique opportunity to dialogue directly with the IASB and EFRAG on the many aspects of this subject. Your voice and your view may provide important input for the final decisions on the future IASB agenda.

Speakers include: Françoise Flores, EFRAG Chairman and Philippe Danjou Board member of the IASB. The meeting will be chaired by Jeroen Hooijer, Head of the Accounting Unit of DG Internal Market and Services (European Commission).

The event will be held in English.

The outreach event is scheduled to take place at the Albert Borschette Conference Centre (meeting room: AB - 0A), 36, rue Froissart, in Brussels on Friday 25 November, 2011, from 10.30 to 13.00 hrs.

To register for the event, please enroll yourself at info@efrag.org. We would appreciate it if you register before 15 November 2011. Responses received after that date will be accommodated if logistics permit.

We thank you in advance and look forward to your participation in this important event.
